TERMS AND CONDITIONS

BBI requires all students to access and understand all BBI and course information available on the website, at reception and included in the institute application and marketing materials. Students will

be required to sign a declaration that they have read and understood all terms and conditions (provided with Letter of Offer and Written Agreement) before enrolment and will be bound by these conditions once the enrolment is complete.

All courses are delivered on site as modified lecturers/tutorials in English as competency based training following the guidelines of the relevant training packages.

All training is designed to maximise student access and participation and hence the opportunity to achieve competency.

RECOGNITION OF PRIOR LEARNING

BBI offers vocational courses at different levels and recognises that student may already possess the skills and knowledge in areas of the training.

Thus enrolling students can apply for recognition of prior learning (RPL) for units of competency of the course they enroll in prior to the commencement of studies or during the first term in the chosen course (by the end of the 2nd week). It should be noted that a shortening of overall course duration does not change the requirement for students to be enrolled in full-time study.

For further information on recognition of prior learning please refer to the student handbook.

COMPLAINTS AND APPEALS PROCEDURES

Students have access to a Complaints and Appeals procedure if they feel they have been unjustly treated or have a serious complaint. Students who feel they have any type of complaint should first contact the Administration Manager. If necessary the complaint will be referred to the Principal Executive Officer in order to resolve the situation. A student dissatisfied with an activity or a decision regarding their academic outcomes can voice their concerns to the staff member concerned and, if appropriate, appeal to the Principal Executive Officer.

If students are still dissatisfied with the outcome of the complaint / grievance / appeal then students may lodge an external appeal or complain about the decision with the Overseas Students Ombudsman. The Overseas Students Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider. See the Overseas Students Ombudsman website <http://www.ombudsman.gov.au/How-we-can-help/overseas-students> or phone 1300 362 072 for more information.

Please see the Student Handbook (**APPENDIX 2: STUDENT GRIEVANCES, COMPLAINTS AND APPEALS POLICY AND PROCEDURES**) for details.

FEES

All course fees and charges are payable in Australian Dollars (AUD). There is no reduction in fees for subject exemptions. All fees and charges must be paid in advance by the date shown on the letter of offer and/or invoice. A penalty may be applied to late tuition fees, Please refer to Fees information.

Students may be precluded from attending class, receiving results, sitting tests / exams if tuition fees have not been paid in full by the date written on their invoice. BBI is not responsible for any

monies paid to agents or 3rd parties. If students need to repeat a subject(s) a pro rata tuition fee is payable.

Fees are subject to change. BBI will honor the tuition fees quoted for enrolled students only if the student commences tuition within 12 months of enrolment date.

Fee payment plans are available to all students. Once enrolment in a course has been confirmed the first term's fee plus all other fees including learning material costs and other levied fees are required to be paid. Each term's fee must be paid prior to the commencement of the relevant term and students will receive the invoice for that payment six weeks before the completion of the existing term.

A nonrefundable Enrolment/Application fee of \$200.00 (exclusive of Tuition fees, material fees and CoE issue fee) is required at the time of enrolment and this guarantees your place in the course. The enrolment deadline is 10 working days after the commencement of course.

Tuition fees DO NOT cover the charges for application fee, textbooks, stationery, and re assessment fees.

Students, who fall behind in the payment of their fees or fail to pay their tuition fee on the due date, may be charged a late payment fee of \$120.00 per term late payment fee or may be refused training and assessment services and any requests until such times as the fees are paid and up-to-date.

For more information on fees and a complete schedule of charges, please visit our website <http://www.berkeley.edu.au/> or contact at info@berkeley.edu.au.

Should fees remain overdue for more than one day after the due date BBI will inform the student of their intention to report them for non-payment of fees to DHA via PRISMS.

However, if the student agrees to accept an alternative (replacement) course or part of a course, to be provided to the student at the institute's expenses, then the institute is relieved of its liability to make the payment. The student must advise the institute in writing whether they agree to the alternative arrangement.

Local Students

After course commencement students who discontinue will not be entitled to any refund. Every effort will be made to negotiate the transfer of training in the event of a student's prolonged illness or personal hardship. However, no consideration can be given to extended absences for any other reason.

RTO Default

- Under the Tuition Protection Service (TPS) framework, if the Institute is unable to fulfill its obligations to complete a course. The TPS framework will facilitate the placement of students in the first instance, and where this is not possible, provides a refund of unexpended tuition fees (i.e. tuition the student has paid for but has not been delivered by the provider).
- The Institute defaults if the course they offer does not start on the agreed starting day.
- The Institute defaults if the course stops being provided after it starts and before it is completed or the course is not provided fully to the student because the registered provider has had a sanction imposed.
- If the Institute defaults, it will refund to the student within 14 days after the default day and receipt of your Refund Application Form.
- The Institute will give the student a statement that explains how the refund amount has been worked out. The Institute dispute resolution processes do not circumscribe the student's right to pursue other legal remedies.
- This agreement and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws.
- The Standards for RTOs require the Institute to inform students considering enrolment of their right to a statutory cooling off period. A statutory cooling off period (which is 10 days) is a period of time provided to a consumer to allow them to withdraw from a consumer agreement, where that agreement was established through unsolicited marketing or sales tactics. These include tactic such as door-to-door sales and telemarketing. A statutory cooling off period allows a consumer to withdraw from a sales agreement within 10 days of having received a sale contract without penalty. It must be noted that our Institute does not engage in unsolicited marketing or sales tactics and therefore a statutory cooling off period is not applicable to our students who have enrolled into a course. For refund option in other circumstances, students must refer to the refund policy.
- The refund policy is subject to review from time to time.
- The Institute recommends that you read the ESOS Framework Information, which provides legislative protection for [International students, available at https://internationaleducation.gov.au/regulatory-information/pages/regulatoryinformation.aspx](https://internationaleducation.gov.au/regulatory-information/pages/regulatoryinformation.aspx)

No refunds will be paid to a third party unless it is indicated at the time the refund application is lodged, that any refunds due are payable to a third party.

Requests for refund should be made in writing to the PEO with documented evidence of the reason for withdrawal. Eligible refunds will be refunded within 28 days of receipt of the claim. The enrolment/application fee and CoE issuing fee are not refundable.

All refunds will include a statement explaining how the refund amount was calculated.

Refund will only be given to the person who paid the tuition fees. For example, if the tuition fee was paid by an agent or parents, the money will only be refunded to either the agent or parents.

This refund policy does not remove students' rights to take further action under the Australian Consumer Protection Laws.

The Institute's dispute-resolution processes do not circumscribe a student's right to pursue other legal remedies.

Staff is responsible for referring all enquiries regarding fees, charges and refunds to the PEO.

PROTECTION OF FEES

BBI conforms to the requirements of the Tuition Protection Service (TPS) established by the Australian Government for overseas students which is part of the ESOS (Education Service for Overseas Students) Assurance Fund established under section 45 of the ESOS Act 2000.

Under the TPS framework, if BBI is unable to fulfil its obligations to complete a course, the TPS framework will facilitate the placement of students in the first instance, and where this is not possible, provides a refund of unexpended tuition fees (i.e. tuition the student has paid for but has not been delivered by the

provider). This replaced the previous combination of Tuition Assurance Schemes and the ESOS Assurance Fund.

CHANGE OF CONTACT DETAILS

All students are required to maintain current and accurate contact details with BBI at all times. In the event of a change in contact details students are required to complete a change of details form and submit to the Administration Manager.

DISCIPLINARY PROCEDURES

All BBI students are subject to Australian civil and criminal laws and to the BBI Disciplinary Policy and Procedure. BBI reserves the right to expel students who break these conditions. In such circumstances students will be reported immediately to DHA and depending on the seriousness of the incident the relevant authorities.

LANGUAGE, LITERACY AND NUMERACY (LLN)

We aim at all times to provide a positive and rewarding learning experience for all of its students. Our enrolment form asks you to provide information regarding your LL&N requirements or any other special learning needs. In the event of LL&N becoming an issue, the Administration Staff will contact the participant to discuss their requirements.

UNIQUE STUDENT IDENTIFIER (USI)

From 1 January 2015 if you are undertaking nationally recognised training delivered by a registered training organisation you will need to have a Unique Student Identifier (USI). This includes studying at TAFE or with a private training organisation, completing an apprenticeship or skill set, certificate or diploma course.

Each student will need a USI to obtain their certificate or qualification from their registered training organisation when studying nationally recognised training in Australia.

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that give students access to their USI account:

- A USI will allow an individual's USI account to be linked to the National Vocational Education and Training (VET) Data Collection allowing an individual to see all of their training results from all providers including all completed training units and qualifications.
- The USI will make it easier for students to find and collate their VET achievements into a single authenticated transcript. It will also ensure that students' VET records are not lost.
- The USI will be available online and at no cost to the student.
- This USI will stay with the student for life and be recorded with any nationally recognised VET course that is completed from when the USI comes into effect on 1 January 2015.

The USI initiative will:

- Seamlessly link information about a student's VET achievements, regardless of where they studied
- Enable students to easily access secure digital transcripts of their achievements
- Give students access to, and more control over, their educational information

As part of this initiative – it is required that students create their USI at the earliest possible. If you are unable to create a USI and would like the Institute to do it on your behalf – you will need to come to the Admin Office at the Institute and sign a 'Consent Form'. After which the Institute will be able to create it for you.

For more information visit www.usi.gov.au or ask at Reception. You can either apply yourself for your USI or ask at Reception and we can do it on your behalf or assist.

Central Station has a direct train service to Sydney Airport plus train and coach services to most parts of the country. For weekends away, we can recommend the Blue Mountains and Jenolan Caves to Sydney's west, the Central Coast of NSW to Sydney's north, the South Coast of NSW to Sydney's south and the Hunter Valley wineries to Sydney's North West. Sydney and its surrounding areas also contain 37 National Parks (including the world's second-oldest National Park – the Royal National Park) with fantastic walking tracks and campsites, containing plants and animals you won't see anywhere else in the world.

TRANSPORT

You can buy an Opal card for bus, train or ferry. Failure to pay the correct fare may result in a hefty fine of \$200 or more. Unfortunately, most international students are not eligible for a travel concession according to the Transport for NSW terms and conditions.

Please visit <https://transportnsw.info/tickets-opal/ticket-eligibility-concessions/child-student-concessions/tertiary-students#accordion-concession-travel-for-international-students>

Public transport is very easy in Sydney and is also fairly cheap. Both of our campuses are very conveniently close to the public transport. We also suggest that you don't drive yourself to the Institute because parking in the area is extremely limited.

TRAINS

There are frequent suburban train services leaving from Town Hall station to most stations around Sydney, which is a few minutes' walk from BBI Sydney CBD campus.

BUSES AND FERRIES

Sydney has many bus services between the suburbs and the city Centre. The Glebe campus is a 2-minute walk from the Bus stop and a 5-minute walk from Broadway shopping centre, where you can get buses to all locations in Sydney.

Fares depend on the travelling distance. Ask the bus driver for the exact fare. There are many ferry services from Circular Quay to suburbs around Sydney.

You'll also have quick and easy access to Sydney's Darling Harbour and other popular locations via bus, train and light rail from Central Station.

TAXIS

It is usually easy to find a taxi in Sydney. Prices vary depending on the distance travelled. If you take a taxi on a toll-way you will have to pay the toll for the taxi's return journey. You can take a taxi from a

taxi rank, book one by telephone or mobile app or you can 'hail' a taxi from the street.

WEATHER

Sydney has a mild climate, especially in winter, but be aware that the weather is subject to quick changes. Each day may be a combination of seasons, so be prepared for rain, heat, or cold, wind and sunshine all in the one day. Perhaps you should carry an umbrella and something warm. Listen to the weather forecasts carefully

TRADING HOURS

Post Offices are open from 9:00am to 5:00pm, Mondays to Fridays and in some shopping centers Post Offices are open on Saturday mornings from 9:00 am till 1:00pm.

Banks are open from 9:30 am to 4:00 pm, Monday to Thursday. They stay open till 5:00 pm on Friday and are closed on Saturdays and Sundays. There are a number of banks near the institute.

Shops are usually open from 9:00 am to 5:30 pm during the week, and many big stores stay open till 9:00pm on Thursdays. They are open from 9:00am until 4:00pm on Saturdays and from 10.00 am to 5:00pm on Sundays as well. Most Coles and Woolworths supermarkets are open till midnight during the week and till about 10:00pm on the weekends.

BANKING

There are many different types of bank accounts. Ask about the different types of accounts before you decide which one you would like to open. A Savings Account is probably the most suitable account for students.

When you open an account you will normally receive an ATM Card allowing you to withdraw money after hours. Many shops in Australia will not accept cheques but most will take credit cards.

An ATM Card cannot be used for credit but it can be used in some supermarkets to pay for the bill (as long as there is money in your account) and it can be used to withdraw money from the machine (ATM) you find outside banks

MEDICAL PROBLEMS

If you get sick, you may have to go and see a doctor. In Australia you do not go to a hospital unless you are seriously ill. You go to your local doctor who will have a surgery near your house.

If you cannot come to Institute, the doctors will give you a medical certificate that describes what is wrong with you, stating how many days you may stay at home. Don't forget to give your medical certificate to the receptionist when you return to the institute or the time you are away will affect your attendance.

Please note: OSHC does not cover medication. If you are hurt in an accident or need urgent medical attention in an emergency go to the Emergency Department of a hospital

WORKING IN AUSTRALIA

Overseas students are allowed to work in Australia *after commencement of their course of study*. They are allowed to work *no more than 40 hours per fortnight* during the semester, provided that it does not adversely affect their studies. During holidays overseas students may work full-time. However, work is not always easy to find, and you should not rely on income earned in Australia to pay your tuition fees.

Obtaining a tax file number (TFN)

You must have a TFN to be assessed for tax. This is a requirement for any job. You will need to complete a special form, which you can get from any taxation office or download from the website <http://www.ato.gov.au/>. You must then lodge the application at a taxation office. Your tax file number will be sent to your current Australian address. Also to know more about your employment rights and conditions, and how to resolve workplace issues please see <https://www.fairwork.gov.au/>

TELEPHONE NUMBERS

All landline telephone numbers can be found in the White Pages (residential) or Yellow Pages (business). These are also available on the internet:

www.whitepages.com.au

www.yellowpages.com.au

USING PUBLIC TELEPHONES

You can buy phone cards from \$5 to \$50 in value from newsagents and chemists. If a phone accepts coins, it will take 10c, 20c, 50c and \$1 coins only. A local call cost is 25c-50c.

To call a Sydney telephone number from overseas, you need to include the country code for Australia (61) and the area code for Sydney (2). For example, to call the institute (0402 089 692) from overseas you would have to dial the international code relevant for your country and then 61 402 089 692.

To dial an overseas telephone number from Sydney, you need to dial 0011 + the country code + the area code + the telephone number.

Work placement information (for Childcare students only)

The work placement hours allows students to develop their skills and applied knowledge learnt in class to

practice in the actual workplace. The emphasis is also on training through gaining first-hand knowledge by working in a real workplace. Because work placement aims at enabling students to become effective employees, all other aspects of the course have been designed to encourage the overall development of skills and knowledge that are directly related to a workplace.

All of our Childcare courses have mandatory work placement components which also provide students with the opportunity to learn in a real environment under the direction of a qualified practitioner.

Students are supervised by a workplace supervisor and will be assessed by a BBI assessor. The assessor will use the Work Placement Assessments, workplace visits and the observations of the supervisor to determine if a student is competent in the workplace. Students will maintain a Logbook as well. This enables the student's completed hours and childcare experience to be recorded and monitored

Work placement is mandatory and BBI does not guarantee at any stage that a student will gain employment due to work placement.

Work placements as course requirements

To achieve a CHC30121 - Certificate III in Early Childhood Education and Care qualification, the individual must have completed a total of at least 170 hours of work and at least 285 hours of work placements for the CHC50121 Diploma of Early Childhood Education and Care in a regulated children's education and care service in Australia as detailed in the Assessment Requirements of units of competency. The total number of hours may be applied collectively across all units of competency that include the requirement for workplace hours.

Noting this, BBI childcare programs expect students will be engaged in a minimal of 5 hours work placement each week. Students will commence their work placements by week 3 after the course commencement following orientation by the college and workplace supervisor (within the first two weeks). Students are responsible for finding their own work placements. However, BBI has agreements with different childcare centres in case students need any assistance finding placements. If students are already working in a childcare setting, they may select their own workplace for work placement providing it is suitable. A BBI assessor will assess and decide on the suitability of the work placement settings.

In general, students will not be paid during their work placement; unless they are employed in which case they have a contract with the employer.

Work placement eligibility

Students are eligible to participate in work placement upon completion of at least two weeks of theoretical study at the institute. The students are only deemed eligible to participate if they possess the required attributes and skills.

A working with children check is required for work placement and for gaining employment in a childcare centre

Students who are scheduled to participate in work placement, but are not deemed ready to do so, will be interviewed and an alternative course of action will be agreed upon. This may mean continuing with more theoretical units or repeating the appropriate term of study, or in some cases, discussions about the suitability of the course in general. For more details on Eligibility, refer to the FAQs available on BBI website or ask your trainer or Student Welfare Officer.

BBI work placement process

Work Placement Assessment

Work placement assessment requires students to demonstrate the skills and knowledge learnt at campus or online in an actual workplace situation. Students are expected to use the range of skills they have acquired throughout their course and apply these to each work placement situation.

Students are reminded that they must successfully complete their work placement to complete their course. If there are gaps in any of the required skills, students may be asked to undertake more hours in work placement to develop skills or may be required to undertake additional training.

The Work Placement Assessments includes 4 components:

Induction and logbook

As a part of the Assessment Kit, you will be required to undergo an induction and keep a logbook, in which you will record work placement hours.

Portfolio

You will also be required to complete a portfolio of evidence including recording different tasks and activities you have performed during work placement sessions. All sections must be completed and deemed satisfactory. If sections are not completed, you may be required to do additional work placement hours in order to complete them.

Supervisor's report

This section requires your supervisor to sign off on the activities you have undertaken in the workplace and determine whether these tasks are completed to the standard required in the industry.

Assessor visit/observation

The assessor will visit the student in the workplace and speak to the supervisor in order to assess their ability to

meet the requirements of each unit of competency.

Students must be assessed in the workplace in order to meet the requirements of the course. An assessor visit will be arranged in the final weeks of your placement. We will specify a date range in which this visit will occur on your Work Placement Confirmation Form. If you complete your work placement without this visit, you will not be eligible to receive the qualification. Therefore, you must notify BBI immediately of any changes to your work placement as this means that you will not be at the workplace within the date range on your Work Placement Confirmation Form.

Roles and Responsibilities

Role and Responsibilities of the Workplace Supervisor

- To explain the expectations of the workplace regarding performance and tasks, workplace standards, hours of work and other details pertinent to the student, at the commencement of work placement.

- To work under the direction of the nominated supervisor, in so far as the direction is compatible with their level of skill and knowledge.
- To be aware that student doing work placement in a host employer's premises is not an extra staff member.
- To notify nominated supervisor and BBI in your campus if there are any difficulties with the placement.

A student who is not appropriately attired may not be permitted to work by their host employer and will be required to make up any missed hours.

Attendance at the work placement

The following conditions apply to all students undertaking their work placement hours:

Arrival, Break and Departure Times

Students must arrive in the nominated host employer’s premises as per the required **START** time and date stipulated on the Work Placement Confirmation Form. There is no flexibility in arriving late for work placement. Arriving after the start time at the host employer’s premises, leaving prior to the finish time, returning to the host employer’s premises late from a break or non-attendance are not acceptable. Students arriving after the start time, taking extended breaks, leaving early or non-attendance may no longer be

eligible to participate in subsequent work placement sessions.

Students are required to:

- Arrive and sign-in by the **START** time indicated and be ready to commence work placement at the start times specified in the Work Placement Confirmation Form*
- Be present for the work placement induction
- Be present in the workplace for the duration of the work placement (exclude allocated breaks)
- Strictly adhere to break times.
- Strictly adhere to **FINISH** time

*Any changes to the start times, shifts or durations of work specified in your Work Placement Confirmation Form must be advised immediately in order to reschedule your assessor visit.

Non-attendance

Your attendance for scheduled work placement is mandatory. As you are aware, BBI has negotiated this work placement with a real employer in the industry. In order to maintain an ongoing relationship with the host employers, we must be reliable and professional. We rely on students completing these work placements with the same approach.

If a student does not attend a scheduled work placement session, then the host employer is left without a student who they have planned for. They may view us as unreliable and we may lose them as a host employer. Students will need to make up the hours that they have missed.

Non-attendance and illness

We realise that sometime people fall ill and will be unable to attend a scheduled work placement session. If this happens:

- Notify your host employer or Supervisor immediately via phone
- Notify BBI Student Services or your Trainer via email

Your host employer will also have given you a contact number in case you are sick, be sure to ring the host employer and advise them that you will not be coming in.

Even though you are sick, you must fulfil the number of hours specified in your qualification. This means you will have to make up the hours that you have missed.

Non-attendance due to illness must be accompanied by a medical certificate and provided to BBI within 14 days from the date you missed the scheduled work placement session. The medical certificate must cover the specific day that you missed the work placement session.

If you miss a scheduled work placement session without giving at least 24 hours' notice or without providing a medical certificate which resulting in you may no longer being welcome at the host employer's premises and then you might be required to arrange a new host employer. Your suitability for the course will also need to be discussed.

Electronic Devices

The use of electronic devices, including but not limited to mobile phones, is not allowed whilst performing your work placement hour (exclude allocated breaks).

Rearrangement of Assessor Visit

An estimated week for the assessor visit will be provided on your Work Placement Confirmation Form. You must advise your trainer if your host employer initiates any changes in your working days and shift times as this may mean that you will complete your work placement earlier than expected. BBI must be notified as soon as you are aware of the changes in order to reschedule the visit date.

Changes with insufficient notice may mean that the student has to complete more work placement hours to receive the assessor visit. If students are not present at the time of the assessor visit or provide less than 48 hours' notice of non-attendance without providing a medical certificate, a \$200 reassessment fee will be imposed to the student account.

If a student requires a second assessor visit in order to meet the requirements of assessment, this will be

arranged at a cost of \$200. In addition, students may be required to undergo additional work placement hours in order to schedule the second assessor visit.

Assessment Outcome – Not Yet Competent

Should a student not demonstrate competency within a single work placement, students may be required to undergo additional work placement hours and an additional assessor visit. An additional assessor visit will incur a fee of \$200.

No resubmission fee applies for the first resubmission of the portfolio.

Work Placement Code of Ethics

All students are required to conduct themselves in a professional manner at all times. In order to complete work placement, the student agrees to the following:

- Adherence to the organisation's Code of Ethics
- Adherence to the work placement arrangement as per the Work Placement Confirmation Form and refrain from initiating changes to the work placement arrangement
- Ensure that all personal behaviours and actions will be in accordance to the appropriate legislation

- Respecting the right of others to privacy and confidentiality
- Avoiding the use of slang, swearing or other language that may be regarded as offensive
- Attempting at all times to act as a role model

Work Placement Health & Safety Guidelines

Your health and safety responsibilities are taught in more depth within your course. However, for work placement, students must adhere to the following:

General Health & Safety

- If students have skin breaks, they must use an occlusive bandage
- Students must wash their hands thoroughly (covering all surfaces between fingers etc. and up to and including the elbows) – refer to hand washing procedure in your course notes
- Students should not be participating in work placement if they are sick with a contagious disease or condition.
- To protect your own health, you should not be attending to clients with contagious conditions either. If you have reason to believe a client has a condition that may pose a threat to your own health, approach your supervisor immediately for guidance
- Where there are any visible lesions or wounds on a client's skin, students should seek advice from the supervisor

Staying Alert to Health and Safety Hazards

If students spot any hazards to the health and safety of anyone in the work placement (including them) they should report them immediately to the supervisor.

Harassment in the Workplace

Workplace harassment is offensive, belittling or threatening behaviour directed at an individual worker or group of workers. Harassment consists of behaviour that is unwelcome, unsolicited, usually unreciprocated and usually (but not always) repeated. It makes the workplace or association with work unpleasant, humiliating or intimidating for the individual or group targeted by this behaviour. It can also make it difficult for effective work

to be done.

Workplace harassment should not be confused with advice or counselling on the work performance or work related behaviour of an individual or group, which might include critical comments indicating performance deficiencies. Feedback or counselling on work performance or work related behaviour differs from harassment in that feedback or counselling is intended to assist staff to improve work performance or the standard of their behaviour. Feedback or counselling should always be carried out in a constructive way that is not humiliating or threatening.

Workplace harassment that must be avoided may include:

- offensive physical contact and derogatory or intimidating behaviour;
- insulting or threatening gestures or language or continual and unwarranted shouting in the workplace;
- unjustified and unnecessary comments about a person's work or capacity for work;
- openly displayed pictures, posters, graffiti or written materials which are offensive;
- phone calls or messages on electronic mail or computer networks which are threatening, abusive or offensive to staff; and
- persistent following or stalking within the workplace, or to and from work or elsewhere.

Sexual Harassment

Sexual harassment is when a person makes an unwelcome sexual advance, or an unwelcome request for sexual favours, to the person harassed, or engages in other unwelcome conduct of a sexual nature in relation to the person being harassed.

It may be an isolated incident or a series of incidents. Both men and women can be subjected to sexual harassment from persons of the same or the opposite sex. A person need not actually intend to offend, for conduct to amount to sexual harassment.

Racial Discrimination

Racial discrimination could involve distinction, exclusion, restriction or preference based on the race, colour, descent or national or ethnic origin of a person. Any form of racial discrimination is unacceptable. It may be an isolated incident or a series of incidents.

Any type of harassment or discrimination must be avoided at the work placement. If you believe you are a victim of any form of workplace harassment or discrimination the first thing you should do is contact your trainer or BBI student support and notify your supervisor to decide upon the most appropriate action.

Work Placement Privacy Guidelines

Students must adhere to the following.

Confidentiality

Any details collected by students during a work placement, and any information disclosed verbally to a student by a client during a work placement must be treated as strictly confidential.

This means that students must never discuss information about their clients with any third party (except the supervisor) – i.e. you cannot tell your friends, or anyone else, anything about your clients, even who your clients were.

Also note that you must never take any documentation away with you from your host employer's premises or copy information from any documentation about a client. Any notes required to complete your work placement portfolio must be de-identified (i.e. the name of the client must be removed).

Students not on CRICOS are able to defer their course commencement date upon application to BBI. Course deferral may incur a management fee.

Students on student visa are not permitted to defer the commencement date of their course unless on grounds of medical reasons (illness), or other exceptional circumstances beyond the students control i.e. bereavement. Weddings, pregnancy, festive occasions are not acceptable.

Students must specify the duration and reason for the deferral and visa cancellation may be initiated by DHA if the deferral is for more than one semester. BBI will enter a Student Course Variation to DHA.

TRANSFER BETWEEN PROVIDERS

Definitions (source: *the National Code*):

- **Principal course:** Usually the final course of study a student will undertake. For example, if a student is studying ELICOS followed by a Bachelor degree, the Bachelor degree is the principal course.
- **Six months:** Calculated as six calendar months from the first day of the principal course.

Transferring from another provider to BBI

BBI may enrol students seeking to transfer from another provider within the first six months of their principal course if:

- The student is a government-sponsored student, and the student's sponsor supports a transfer
- The student's current education provider or course has ceased to be registered, or a sanction has been imposed that prevents the current provider from continuing to deliver the principal course
- The student has a letter of release from the current provider

Transferring from BBI to another provider

Students can apply to transfer from BBI to another provider at any time prior to completing the first six months of their principal course if:

- The student is a government-sponsored student, and the student's sponsor supports a transfer
- BBI or the course in which the student enrolled has ceased to be registered, or a sanction has been imposed that prevents BBI from continuing to deliver the principal course
- The student enrolls in a course that is at the same or a higher level to that in which the student is currently enrolled, and the course is not available at BBI
- Exceptional personal circumstances that the PEO considers to be appropriate
- BBI will assess and consider all requests for in accordance with Standard 7 of the National Code, which states that the education Provider should grant the student's request to transfer where the transfer will not be to the detriment of the student.

Note: Students on package courses will need a release letter from their principal provider.

A letter of release, if granted, must be issued at no cost to the student and must advise the student of the need to contact DHA to seek advice on whether a new student visa is required.

However, BBI will **not** grant a release letter for a student seeking to transfer any time prior to completing the first six months of their principal course if:

- There is no Letter of Offer from another provider
- The student is enrolling in a course that is at a lower level than the one in which the student is currently enrolled
- All the support services have not been exhausted by the student
- The student is trying to avoid being reported to DHA
- The student has outstanding debts to BBI

Student must be provided with a written response and the reason for refusal and advice on their right of appeal.

BBI maintains records of all requests from students for a letter of release and the assessment of, and decision regarding, the request on the student's file.

STUDENT LEAVE

It is not permitted that any student takes extra leave outside the official Institute breaks. Student Visa students must study for at least 36 weeks per year to maintain a fulltime status.

If there are exceptional circumstances students who are on Student Visas may apply for a maximum of 4 weeks 'exceptional leave' outside the official institute breaks so long as the min. of 36 weeks is maintained.

BREACHES OF VISA REQUIREMENTS

Students registered under CRICOS are subject to DHA satisfactory academic progress and financial warning and reporting requirements and therefore to the BBI.

Students below the 50% average course progress on a semester basis will be reported to DHA. You will be advised in writing and required to attend a meeting with a DHA official within 28 days after the day specified in the letter. Students must continue to attend institute until requested by DHA to attend a meeting.

SICK DAYS AND OTHER ABSENCES

Students registered under CRICOS should be advised that BBI is not permitted to enter sick days or any other days absent (unless granted Exceptional leave) on attendance records. All unofficial absences, sick or otherwise will be recorded as absences and subject to the above rulings.

OVERSEAS STUDENT HEALTH COVER

It is the responsibility of all students to ensure that they are members of a provider of Overseas Student Health Cover during their stay in Australia. Such cover is provided by either Medibank Private or AHM Australia among others.

ESOS FRAMEWORK

Training organisations that appear on the Commonwealth Register of Institutes and Courses for Overseas Students (CRICOS) register are governed by the Education Services for Overseas Students (ESOS) framework. This includes a number of legislative pieces, including the ESOS Act 2000 and the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students. These regulations are in place to protect overseas students and to uphold high quality standards within Australian education institutes
